Dear Paul

I am just writing a quick note to say thank you very much for the day that you and Gabrielle ran last Wednesday for the Vodafone Group tax department. The combined facilities of Datchet Water Sailing Club and Datchet Watersports facilitated an ideal balance between work and play.

The boardroom facilities upstairs allowed a successful and productive team meeting during the morning, and everyone complemented the barbecue lunch that followed. The lack of sunshine and forecast for rain meant that several people were apprehensive about heading out onto the water for the afternoon's activities, but thanks to the encouragement, support and professional attitude of your team everyone took part in the activities and didn't want to stop at the end of the day! Your flexibility and experience was valuable in planning the day and choosing from the many activities on offer, particularly in getting the non-swimmers onto the water in a way they felt safe and stayed dry. It was also great that the range of options could include powerboat rides and remote control boats as well as the excellent dinghy sailing and windsurfing.

We had a fantastic day and at a very affordable price. We have struggled in the past to find venues that provide professional meeting facilities and outdoor activities on one site, so I will have no hesitation in recommending Datchet to other Vodafone teams. In fact, its close proximity to Heathrow means that the boardroom could be a good alternative location for the many meetings we normally hold at Heathrow's corporate hotels (and with a much better view!). Once again, many thanks and we will see you back on the water soon.

Yours sincerely

A handwritten signature in blue ink that reads "Geyman".
